

# Transport – Sorting – Storage

We convey everything for the

Metal Scrap Industry

## TO HEAVY? No problem for us!!!

- With already more than 30 years of experience our customers can count on the quality, reliability, favourable operating costs of our products and several services we offer.

- We have become one of the global market leading companies for the metal scrap industry and the number of our customers is still growing

- The applications of our products are enormous, from a swivelling conveyor for a 600 T shear up to an infeed conveyor for a 10.000 HP shredder. We do have the solution for you.
